

"SURE FIX" CLAMP RING OUTLET

"SURE FIX" is one of the best means of connecting a roof system to an outlet drain, used on flat roof applications for either commercial or residential buildings.

The fastening and the seal between the roof system is achieved mechanically and thanks to its versatility the drain unit can be used with all types of waterproofing materials. The unit and its accessories have been studied in the minutest detail thus giving a product which far surpasses the characteristics of other normal products currently available.
