PRODUCT CERTIFICATE

This is to certify that

Novater S-C

Complies with the New Zealand Building Code (NZBC):

If designed, used, installed and maintained in accordance with the scope of this certificate, the above mentioned product will meet or contribute to meeting the following provisions of the NZBC:

- Durability** B2.3.1 (a), B2.3.2 (a)
- External Moisture** E2.3.3, E2.3.7
- Hazardous Building Materials** F2.3.1

Subject to the following conditions and limitations:

1. Shall only be applied to non-specific design under floor slabs complying with NZS 3604:2011 Timber-framed buildings; and
2. Shall only be applied behind concrete masonry basement walls and under floor slabs complying with NZS 4229:2013 Concrete masonry buildings not requiring specific engineering; and
3. Shall only be applied to buildings subject to specific design with substrates of in-situ or precast concrete complying with NZS 3101:2006 Concrete Structures, or concrete masonry complying with NZS 4230:2004 Design of reinforced concrete masonry structures.
4. Novater S-C shall only be stored, installed and maintained as per the Jaydex Application Guide Novater V3a November 2019 by Jaydex licensed applicators.

- This certificate is issued by an independent certification body accredited by JAS-ANZ, the product certification body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment under the Building Act 2004. The Ministry does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. The Ministry disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
- The certificate holder must maintain compliance with the conditions set out in section 15 of the Building (Product Certification) Regulations 2008. This certificate may only be reproduced in its entirety. It is advised to check that this certificate is currently valid and not withdrawn or suspended by referring to the Register of Product Certificates on the Building Performance website <http://www.building.govt.nz>.
